

Raves From Around the Universe

“After I slay, I play...the Sci Fi Book Club has all the books I want after a long day of combat!”

*Human raves too!
See inside.*

From fantasy to sci fi and every altiverse in between

DEAR ADVENTURER,

Sci-fi and fantasy fans are sounding off! The verdict is in, from across Earth to the farthest corners of the altiverse, we've got the best books at the greatest savings. And the best news of all, you don't have to have super-human strength or magical powers to take advantage of our amazing offer. Mere mortal readers and avid fans like you can enjoy our 1amazing prices and stunning selection of sci fi and fantasy books today!

We're talking about books like J.R.R. Tolkein's immortal *Lord of the Rings*. Robert Jordan's epochal *Knife of Dreams* and Timothy Zahn continues the saga with *Star Wars®: Outbound Flight*. There is something else all these great science fiction and fantasy works share... tremendous savings!

Join now and save up to \$335 off publishers' hardcover prices the moment you become a member.

Take 5 books for 50¢ each, plus our free beautiful—and probably enchanted—Pewter Dragon Figurine with membership! All we ask is that you purchase the books specified in your membership agreement (check the order card) at savings up to 65% off publishers' edition prices. And with special sales and discounts, you'll save up to 75% throughout your membership!

6569# THE LORD OF THE RINGS

Few English-speaking people born and raised in the latter half of the 20th century have never heard of *The Lord of the Rings*. Originally published from 1954 through 1956, J.R.R.

Tolkien's richly complex 3-volume series ushered in a new age of epic adventure storytelling. Today, it is considered "the most influential fantasy novel ever written."—*The Encyclopedia of Fantasy. Maps, Indexes, Appendices. The Fellowship of the Ring; The Two Towers; The Return of the King.*
